

2023 Spring JTT Season Winston-Salem

Who is ready to join in the FUN for this JTT spring season?

What is JTT? Junior Team Tennis is a FUN level-based team competition for kids! Sign-up as a team or as an individual. Teams can be all girls, all boys or a combination of both! Gain valuable match play experience in a fun, social league environment! Players need to be able to serve, keep the ball in play with some success, keep score, know where to stand, etc.

2023 Spring Information

Registration Opens: Monday, February 6th and ends on Friday, March 10th

Season: 8's and Beginner 10s: April 14th through May 19th

10s (int and adv), 12s, 14s and 18s (all levels): March 19th through June 4th
We will skip 4/2 and 4/9 for spring break and Easter

Where are the Matches Played: Most matches will be played at Mt. Tabor High School. However, there may be teams to register from clubs or facilities in our WS area to where they can have their home matches at those courts. A schedule for the season will be completed and sent to parents/coaches along with posted on Tennislink so teams will know each week where their match will be.

What Time are the Matches: The 8's and 10 beginners will play on Friday nights at 6:00pm. All other divisions will play on Sunday afternoons no earlier than 1:00pm. It depends on the number of teams as to how many different time slots we will have throughout the afternoon. A schedule for the season will be completed and posted prior to the start of the league.

Coaches, Pros, Parent Captains: Each team must have a captain whether it is a Coach, Pro or a parent. A captain is responsible for organizing the team each week. That includes seeing what players are available, making sure they know when and where to be each week, do the line-up and communicate to the team who is playing where and with who, and record

the players/scores at the end of the match to be turned in to the Coordinator. We will have a Captain's meeting on March 12th - 3:00pm - Mt. Tabor High School courts.

- 8s (red ball) and 10 (orange ball) Beginners: Friday Nights Pizza and Tennis!

- 14&Under - Beginner/Intermediate/Advanced - Yellow Ball - Sunday Afternoons
- 18&Under - Beginner/Intermediate/Advanced - Yellow Ball - Sunday Afternoons

8's (Red Ball) and 10&Under Beginners (Orange Ball): We are doing something new this year and offering 8's (red ball) and 10 beginners (orange ball) on Friday nights. Why is it different from other ages? This group more than likely needs a lot of hands-on help and guidance. We also want to make it super FUN for these age groups so they will have a shortened season but we will do pizza every Friday night for the kids. Not only will they play but we will try and do some fun games with them as well. To participate, players still need a basic understanding of tennis, know "how to play" and have some rally success hitting the ball over the net with another player. Please refer to the "Levels" section below. JTT is not a clinic or a lesson so need to make sure that players can have matches against each other.

Levels:

- Beginners - Players are still learning and have limited playing experience. They can hit the ball over the net, sustain short rallies, and can overhand serve. Players know where to stand in both singles and doubles. They also know how to keep score.
- Intermediates - Player is fairly consistent and can keep ball in play longer. They have a full swing, can serve with success, can use top spin, control where to hit the ball. Players can also volley and are developing strategy to win points. This level is possibly a lower level on varsity high school team and play in USTA Level 6 or 7 tournaments.
- Advanced - All groundstrokes are solid, powerful and include topspin, slice with serves hit flat, slice or possible kick. Can hit with accuracy and execute shots with gameplan and strategy. This player might play in a Level 5 tournament, high position on varsity high school tennis team and may be ranked top in the State.

Format: 1 doubles and 1 singles followed by 1 doubles and 1 singles. 6 Game Pro-Set. Total games won determine the winner. A minimum of 3 players needed for each match but teams should carry 4 to 6 players with 8 being the max. More teams with fewer players on each team = more playing time for all!

Cost: \$33.00 per player for season - includes balls

Registration: JTT is perfect for middle school teams, high school teams, club teams, facility teams, program teams, neighborhood teams, group of friends, etc. However, if you do not have a team, that is totally fine! You can register as an individual and be placed on a team. If you do have a team together, please request a team # to register with.

USTA: Junior USTA memberships are FREE! You do have to have a USTA # to participate.

State Championships: Winning teams at each level/division have the opportunity to participate in the State Championships - July 14-16th - Greenville, NC. Teams need a minimum of 3 players that can compete the whole weekend.
